Children's Workshop: Friday 25th October 4.30pm – 6.30pm

Children's Auditions: Sunday 3rd November 9.30am-12.30pm

The Von Trapp children

All children must have strong singing voices and be able to hold harmony lines. Good movement skills are essential and they must all have clear speaking voices. The Von Trapp children have very individual characters, so the children must show as much personality as possible when auditioning.

Playing ages:

Liesl	16 years
Frederick	14 years
Louisa	13 years
Kurt	Almost 11 years
Brigitta	9 years
Marta	7 years
Gretl	Approx 5/6 years

Children's Workshop:

The children will be learning music and a dance piece ready for auditions. Can parents please make sure they wear suitable clothing and shoes for dancing.

For the auditions we would like the children to recite a short poem or something similar from memory, that tells a story and shows personality.

We may also ask the children to read some script.
